**AGREED MOTION FOR AN EXTENSION OF TIME
TO FILE MOTION FOR PRELIMINARY APPROVAL OF CLASS SETTLEMENT AND
TO RESET PRELIMINARY APPROVAL HEARING**

Plaintiffs, Robert Thomas, Scott Patrick Harris, Michael Bell, Sandra Palumbo, Frank Karbarz, and Thomas Davis, on behalf of themselves and all others similarly situated (hereinafter referred to as “Plaintiffs”), and Defendant Lennox Industries Inc. (“Lennox”) respectfully move this Court for an extension of time up to and including June 11, 2015, for Plaintiffs to file a motion for preliminary approval of class settlement and to reset the preliminary approval hearing to June 18, 2015. In support thereof, the parties state as follows:

1. On April 16, 2015, the Court granted the Plaintiffs’ agreed motion for an extension of time to file the motion for preliminary approval of the class settlement and to reset the preliminary approval hearing. The Plaintiffs were given until May 21, 2015 to file the motion for preliminary approval of the class settlement and the Court reset the preliminary approval hearing to May 28, 2015.

2. Since the filing of Plaintiffs’ agreed motion, the parties have worked diligently to prepare and execute a comprehensive class action settlement agreement. The parties have

completed confirmatory discovery and have finalized all document productions. Additionally, the parties completed the deposition of Lennox's corporate representative. The parties have nearly finalized the Stipulation and Agreement of Settlement.

3. The parties, however, request an additional 21 days to finalize the Stipulation and Agreement of Settlement. Completion of this step is necessary before Plaintiffs are able to file a motion for preliminary approval of the class settlement.

4. This motion is made in good faith and not for purposes of delay.

WHEREFORE, the parties request that the Court grant this agreed motion and permit the parties an additional 21 days, or until June 11, 2015, for Plaintiffs to file their motion for preliminary approval of class settlement and reset the preliminary approval hearing to June 18, 2015.
